

HOWDY, Y'ALL

Welcome

TO THE NORTH AMERICA

South Regionals

JUNE 28-30, 2024

Welcome to the WFTDA Regionals North America South Roller Derby Tournament (Deep in the Heart of Derby), a thrilling three-day event that brings together roller derby enthusiasts, athletes, and spectators from June 28-30, 2024.

Hosted by the Texas Rollergirls, celebrating our 20th year as the originators of flat track roller derby, this high-level WFTDA tournament brings together the top 12 teams in the North America South Region to compete for a berth in the worldwide Global Championships in November.

This tournament promises an electrifying atmosphere filled with fierce competition, sportsmanship, and entertainment and includes social events for the whole family, exhibition and regulation roller derby, a vendor village and more. Every penny that we make through this event advances this revolutionary sport and makes it possible for us to provide access, maintain and expand roller derby.

You can learn more about our event on our website,

ABOUT THE *Texas Rollergirls*

The Texas Rollergirls are the originators of Flat Track Derby. We started the sport in Austin, Texas in 2003 and it spread to hundreds of cities around the world.

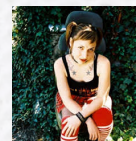

Our founders Annie Social, Bettie Rage, Electra Blu, Hydra, Strawberry, and Wrench came together to form a skater-run league whose method of play caught on around the US. In 2005, the Texas Rollergirls helped found the Women's Flat Track Derby Association (WFTDA), which established the production of a standard track design, game rules, and facilitation of inter-league play. In 2006, the WFTDA organized their first multi-league flat-track roller derby tournament (The "Dust Devil"), won by the Texas Rollergirls' travel team, the Texecutioners.

Today, we have four home teams:

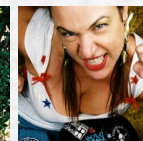

Hell Marys, Honky Tonk Heartbreakers, Hotrod Honeys and the Hustlers. Home team players also compete regionally and nationally as the Homies.

We have two all-star travel teams made up of members from all four home teams. Our travel teams compete internationally within the Women's Flat Track Association (WFTDA) as the Texecutioners (A) and the Chainsaws (B).

ROLLER DERBY BASICS

Two 15-skater teams play two 30-minute periods. Each period consists of multiple "jams." Each jam is an opportunity for both teams to score points, and ends after 2 minutes or when the Lead Jammer calls off the jam. It is legal for a skater to block opponents with their hips, rear, and shoulders. It is not legal to block to the back, to trip, elbow, or to back talk officials. Players committing illegal actions are penalized 30 seconds and their team plays short for that time.

JAMMER Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

BLOCKER The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

PIVOT The Pivot is the Blocker that wears the stripe on their head. They are the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

FIRST PASS

During the first pass, the first Jammer to pass all skaters in the pack legally is Lead Jammer. Lead Jammer status is signaled by the officials blowing two short whistle blasts and pointing at the Lead Jammer.

JAM START

Each team fields 4 Blockers and 1 Jammer. Blockers start anywhere between the Jammer Line and the Pivot Line, 30 feet (9.15 meters) away. Jammers start behind the Jammer Line. Play starts with a single whistle blast.

SECOND PASS

In subsequent passes, Jammers earn 1 point for each opposing player they pass legally. The opposing Blockers will try to stop the Jammer, while helping their own Jammer through the pack.
